

African Heritage Month Reading List

February is African Heritage Month. This year's provincial theme is **Black History Matters: Listen, Learn, Share and Act**. This theme emphasizes the importance of learning about people of African Descent and their vital role in the history of the development of Canada and Nova Scotia. Nova Scotia has over 50 historic African Nova Scotian communities with a rich history dating back over 200 years. It also illustrates the need for everyone to have a greater awareness of racialized issues and appreciation for the adversity African Nova Scotians and other Canadians of African Descent face to help make society a better place for everyone.

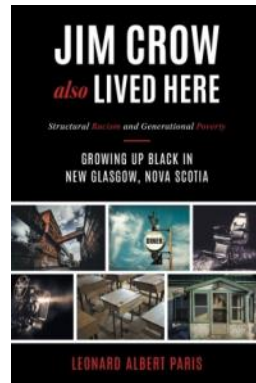

The Library can help you celebrate African Heritage Month with our collection of relevant books and information for all ages. Visit www.ahm.bccnsweb.com/wp/home/ for more information about African Heritage Month in Nova Scotia.
