The first book in the Lucky Penny Ranch cowboy series. Allie Logan isn't the type to land a hot hunk of cowboy. Truth is, she's given up on dating since shedding her no-good ex. But the new owner of the most ramshackle ranch in Texas might just change her mind about that. He's six-foot-plus of tall, dark, and charming - the kind of guy who could make a girl throw caution to the wind . . . or the kind of guy who could break her heart.
