Blood Oath

by **Fairstein, Linda**

Alexandra Cooper #20, following DEADFALL. In her latest novel, Fairstein tackles both the first biomedical research centre in the US and the #MeToo movement, as Alex Cooper takes on the case of a young woman who testified years earlier at a landmark Federal trial...and now reveals that she was sexually assaulted by a prominent law enforcement official during that time. As the case grows more complex, Alex finds herself in uncharted territory within Manhattan's Rockefeller University, a research institute born of tragedy that has evolved into a premier scientific facility, hospital, and cornerstone of higher learning.
